U.S. District Clerk
101 E. Pecan St. Rm 216
Sherman, TX 75090

Dear Clerk:

I have inclosed a civil action
under 42 USC sec. 1983 with attachments
and exhibits.

The form I used was sent
to me from your office although much
of it relates to the prison system I have
used the form to file suit from Oklahoma.
Please advise me if there is anything more
required of me relevant to this action.

I would also ask that you
send me an application for appointment
of counsel as the facility where I am
housed does not allow me access to
Texas law or out of state addresses, nor
aid in any civil matters.

at present I am not allowed
access to the law library due to the
current pandemic.

Respectfully:

Eric Ray
